

TEENAGE MUTANT NINJA TURTLES IV TURTLES IN TIME

SHREDDER'S GOT SOME TIME TO KILL - THREE BILLION YEARS OF HI-TECH TURTLE TERROR!

Sunday evening. You're sitting around the sewer watching your main reporter, April O'Neil do a live remote from the Statue of Liberty. Then it happens. A humongous flying android screams out of the sky and rips Lady Liberty from her foundation, sending hundreds of freaked out tourists into the harbor below. "No way!" cries Raphael. "Way," replies Donatello. And the crazy quantum chase is on!

Journey through ten levels of enormous arcade graphics, the largest and craziest talking Turtles ever with eons of bodacious battlegrounds, from prehistoric to futuristic galaxies. To prepare for the toughest Shredheads you've ever seen, try the Versus mode, a Turtle-on-Turtle combat arena that finally proves who's the mightiest mutant of all. Also test your slice-em-up speed in the Time Trials mode to find out how fast you can clear three courses.

Get ready for the 3-D jab and loss that sends enemies flying right in your face. Mondo body slams and pizza power bonuses make you more Turtle than ever before. You better believe you're going to need it. Shredder's out for turtle hide, and he's got all the time in the world to get it.

Team up for double Turtle trouble with a partner or have yourself a solo slamfest.
